Upon entering the premises, discover an entrance hall with the corridor serving all the rooms of the apartment. The visit starts with the spacious living room of about 20m², this one is particularly bright thanks to the bay windows giving access to the large terrace of the apartment. The terrace offers you a totally clear view and allows you to enjoy the outside without any prying eyes.

This terrace is accessible from the living room, the kitchen and one of the two bedrooms and benefits from the sunshine all day long.

The visit continues towards the kitchen, equipped and spacious enough to accommodate a table. The kitchen is also very bright thanks to its access to the terrace and its bay windows.
